Statement of Understanding

1. I understand that my employment does not constitute any contractual relationship and is terminable at any time by myself or the District for any reason or without reason. I further understand that no supervisor has any authority to (and cannot) enter into any agreement, written or oral; and no representations made either before or during my employment can change or modify this non-contractual policy.
2. The District utilizes basic common sense rules, standards, guidelines, and practices in its day-to-day work requirements and employment. Only some of these rules, standards, etc., are in written form. However, both the written and unwritten standards of employment and job performance are in effect. The rules, standards, guidelines, and practices (often referred to as "policies") may be amended or rescinded from time to time at the discretion of the District. These "policies" are not intended to and do not constitute any contractual relationship.
3. District property and District premises include lockers, closets, or other receptacles for storing personal property. The District reserves the right to inspect or search lockers, etc., in the event grounds exist for such inspection or search, or on a random basis. The grounds may include questions, suspicions, or investigation of theft or missing property (District or otherwise), possession of alcoholic beverages or illicit drugs, and/or possession of dangerous weapons. I understand and agree that I am subject to the possibility of searches or inspections of my personal effects, lunch box, purse, etc., in the event it is deemed necessary by the District. Periodic notices of random inspections may be given.
4. Drug/Alcohol Testing. In order to assure a drug-free work environment, the District prohibits the use, sale, transfer, being under the influence and/or reporting to work after using or ingesting illicit drugs. Under District policy, alcohol is included within the meaning and prohibition of drugs. One way to maintain a drug free workplace is to test applicants and employees; and therefore, successful passage of a drug test will be a condition of employment and/or continued employment.
5. Sexual Harassment. Sexual Harassment is defined as any unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when (1) submission of such conduct is made a job requirement or causes changes in working terms or conditions. and/or (2) it has the effect and purpose of unreasonably interfering with work performance or creating an intimidating, hostile, or offensive workplace. Sexual harassment **will not** be tolerated and will be grounds for immediate termination.

District Policy # 97002, Employment Practices

*Amended by the Fire Board on **November 26, 2002***

What the District is Looking For: *The Fire District tries to hire and retain the best qualified personnel for the position regardless of race, color, national origin, sex, age, disability or physical handicap.*

The Fire District tries to learn as much about the applicant and his/her qualifications and expects the applicant to be candid and responsible during this hiring process.

The Fire District will rely on the statements, representations, and information you provide or submit to us.

If the applicant is hired, he/she will serve a probationary period of one year, which may be extended if deemed appropriate by management. This period is actually a part of the testing process and is the employee's opportunity to demonstrate that they can learn and perform their duties to the satisfaction of the District. If the employee does not perform satisfactorily, the probation period may be extended or the employee may be terminated without right to appeal.

You will be provided a job description so you will have the specific requirements and essential functions of the position, what will be expected of you, and what you will need to do to fulfill the position. Study the job functions in order to make sure you are qualified to do the job.
