Consolidation
of Fire Districts

Public Education & Training

The Daisy Mountain Fire District is passionate for teaching our community how they can be more safety conscious and ready to act when an emergency arises in your home or community. We want to equip you to help us make a difference in our community. DMFD offers classes for CCC/CPR training and certification as well as First Aid training and certification.

Citizen Fire Academy

This class allows the public to experience firefighter training first hand. Participants learn about the Daisy Mountain Fire District, how calls are dispatched, visit a fire station and see our trucks. They try our equipment, pull a hose, flow water, see our specialized equipment, get certified in CPR and First Aid, or just observe. This provides an up close and personal look at what we do, how we do, and why we do.

Community Programs

Daisy Mountain Fire Department Citizen Corps (DMFDCC)

Operating as a Community Emergency Response Team (CERT) since 2004, the group was created to train, and incorporate volunteers to assist Department personnel should a disaster occur. In 2009, Fire Corps was formed to assist the Department with non-operational needs utilizing volunteers. Today, both CERT and Fire Corps operate under the umbrella of Citizen Corps.

FAQs

Will the fire station be empty?

NO. At least 2 full time firefighters and/or paramedics will be on duty 24/7/365.

Is DMFD taking our ambulance?

NO. Trained paramedics will be the first responders on each call. The ambulance is merely the transport vehicle.

Will this increase response times?

NO. First responders including paramedics will still respond within minutes to begin care.

Will this leave our area without

coverage? No, in fact it improves coverage by adding automatic aid partners and move up apparatus.

Will this cost us more?

No, the tax rate is capped at a maximum \$3.25 of \$100 of assessed value. BCFD And DMFD are both at the \$3.25 rate.

What happens to the bonds?

The bonds stay with the originating district. Black Canyon residents only pay the Black Canyon Fire District bond.
